

POWER ADAPTER SUPPLY MANUFACTURER

YHYadapter
Power Supply Solution

ABOUT US

Founded in 2010, YHYadapter is a leading power solutions provider specializing in the research, development, and manufacturing of power adapters, chargers, and customized power solutions.

With a product line that includes power adapters, battery chargers, and PD chargers, YHYadapter specializes in providing customized power solutions for various industries, such as IT equipment, office equipment, audio equipment, LED lighting, massage equipment, beauty and hairdressing equipment and other professional applications.

With an annual production capacity of over 20 million units, our products are distributed in over 80 countries and regions worldwide. YHYadapter owns the ISO 9001:2015, RoHS, REACH, and the WEEE Waste Recycling Directive, meets DoE VI/ErP energy efficiency standards, and holds over 20 international safety certifications, including UL, cUL, FCC, TUV-GS, CB, PSE, RCM, KC, ETL, NOM, BIS, CE, CCC, Safety Mark, and S-mark, ensuring global product acceptance.

OEM/ODM services have provided solutions for over 5,000 global customers, including Samsung, Bosch, VTech, Sharp, JVC, and ECHELON, encompassing the entire supply chain from product development and manufacturing to value-added services.

YHYadapter provides clients with professional, comprehensive power solutions, helping them capture market share and establish themselves as a leading global provider of power solutions.
